Product Description

Super Slim, Yet Packed With Power

This aluminum-forged all-in-one PC is made to be showcased, but don't be fooled by the exquisite exterior, as the Lenovo X1 means serious business. This includes the latest enterprise manageability with Intel vPro CPUs, enhanced security features, and a brilliant widescreen antiglare display.

Operating system - Windows 10 64bit

CPU - Intel i7 6600U 2.6GHz

RAM - 8GB DDR4

Drive - 240GB SSD (need more space? call in store to discuss upgrade options)

Screen Resolution - 1920x1080

Screen Size - 24inch
